Con una larghezza di 60 cm, la gamma Wine Bank 60 di Haier permette di conservare la tua preziosa collezione di bottiglie come in una cantina professionale. Conservare il vino alle giuste condizioni aiuta a preservare le caratteristiche e la struttura di una bottiglia, per un'esperienza più appagante quando arriva il momento di stapparla.

Inoltre, le due zone di temperatura separate permettono di conservare le tue bottiglie preferite alla temperatura ideale, così non dovrai più bere vini rossi freddi o vini bianchi caldi. Tutte le cantinette Wine Bank 60 Serie 7 sono dotate di connessione WiFi in modo da poterle controllare tramite l'app hOn.
