Custodia flessibile ultra-protettiva, anti-shock con tecnologia antibatterica Microban® integrata

Tetra Force Strong Guard - iPhone 16E

[Cellularline Tetra Force Strong Guard - iPhone 16E Custodia flessibile ultra-protettiva, anti-shock con tecnologia antibatterica Microban® integrata:](#)

TETRA FORCE STRONG GUARD è la custodia flessibile ultra protettiva con bordo rialzato e angoli rinforzati, realizzata con materiali tecnologicamente avanzati in grado di attutire e dissipare l'urto causato da cadute. La tecnologia IDS (Impact Dissipating System)™, sviluppata da Cellularline, utilizza l'innovativo materiale Versaflex™ che consente di disperdere l'energia creata dall'urto, evitando possibili danni alle componenti esterne e interne dello smartphone. È realizzata con tecnologia antibatterica Microban® che elimina fino al 99,9% della crescita batterica sulla superficie della custodia e si mantiene costantemente attiva perché integrata nel materiale della Tetra Force Strong Guard. Tetra Force Strong Guard è garantita a vita: per saperne di più visita la sezione Guaranteed For Life di Cellularline
